Hymns:

There are hymns we enjoy singing because we know the tunes and words well – often they are ones from our childhood and youth. The theology expressed in the words may not fit with the beliefs we have developed on our Christian journey of faith.

I have put a notebook on the Foyer. Write these down and I undertake to use at least one each time we meet for Worship.

Can you help?

It has been very encouraging to have a good response to our request to help furnish a home for Michael. This will be the first time Michael has a place to call 'home' after more than 10 years 'living rough' We have received the offer of many items, however the two outstanding needs are for a bed (and once we know the size) bedding to go with it, and curtains. It would seem it may be easiest to purchase these. If you are in a position to offer a cash donation towards these, that would be most appreciated.

The move will take place on September 22 – we will have access to begin setting up from Friday September 18.
